MEMORANDUM FOR THE RECORD

SUBJECT: Conversation between [redacted] Security and [redacted]  
[redacted] (as transmitted to [redacted]), 12 April 1956

1. It is requested that Military personnel visiting Lockheed installations wear civilian clothing.

2. It is suggested that footlockers be sent via United Airlines instead of American. UAL Flight 509 shifts cargo in Chicago to Flight 517 which arrives same nite [redacted] (American goes into International). This would save considerable handling and time

3. Materials or correspondence delivered to [redacted] for onward delivery should have full name on outside (and not just a first name); this permits [redacted] to properly identify the addressee.
